

WHISTLEBLOWER PROTECTION POLICY

Introduction

Our Whistleblower Protection Policy is aimed to provide an avenue for all employees and external parties (e.g. contract staff, customers, vendors/ suppliers, consultants) to disclose any improper conduct (as defined under the Whistleblower Protection Act 2010) committed or about to be committed to those in authority.

Objectives:

- To promote high standards of ethical conduct and open communication
- To ensure protection to the Whistleblower

Should you have any information on improper conduct by our employees, please reach out the URL below for whistleblowing sites:
